

GLEANING REPORT

a partnership with
Society of St. Andrew
 GLEANING AMERICA'S FIELDS
FEEDING AMERICA'S HUNGRY

END HUNGER WITH GLEANING

WHAT IS GLEANING?

"Gleaning is simply the act of collecting excess fresh foods from farms, gardens, farmers markets, grocers, restaurants, state/county fairs, or any other sources in order to provide it to those in need." - USDA.gov

MISSION

"Team Glean is a private food rescue event or project designed and planned just for your organization, group, or business, and led by an experienced Society of St. Andrew staffer." - endhunger.org

The Market at Pepper Place is thankful for farmers who donate their unsold produce for gleaning. The Market at Pepper Place is grateful for the volunteers and staff at Society of St. Andrew who serve each week to make sure no food goes to waste by supplying community pantries with gleaned produce.
